

Meeting on 29th January 2008.

St Aubin Umbrella Group now St Aubin Community Group.

Aim:-

To form a group of representatives from St Aubin stakeholder and user groups to co-ordinate issues affecting St Aubin and to communicate these to Parish and other authorities and visa versa: also to foster an extra feeling of community within the village.

Suggested Action Plan.

1. To contact the following associations, asking if they would like a representative on the Group, and if they would like an email to their representative before Parish Meetings to advise them what is happening incase they have any issues they would like discussed.

Residents Association

Traders

Churches – Catholic, Methodist, Church of England, Evangelical.

Senior Citizen's Association

St Aubin and St Peter's WI

Mother & Toddler Groups

St Aubin Boat Owner's Association if it is formed.

Any other relevant groups.

2. We would request 2 notice boards be placed either side of the entrance to the Parish Hall, with lighting above, in order to display a calendar of events and the events themselves and that the large notice board with the map be used as a tourist board with a short history of St Aubin and other relevant information including names of local associations, maybe doctor's phone number etc..

3. We would consider requesting that twice a year there is a Community Parish Meeting, chaired by the Connetable, the date of which would be fixed well in advance.

4. We would suggest that the Parish hold a St Aubin's Summer musical Soiree (or something similar) in conjunction with a generous raffle in order for the parish to purchase Christmas lights, and that if successful this becomes an annual event, or possibly twice a year to include a Christmas themed party. An alternative would be some sort of musical party in conjunction with a market day. However I believe that Ilsa has already booked a evening in June.

5. We would request that there was increased late evening policing.

6. At the meeting on 26th Feb it was suggested that the group looking at a chemist for the village join the Community Group, and we take this under our wing.

Notes circulated to: Natalie Parkin, Mary Jones, Ilsa Khakria, Mirian Noel, Robert Jones, Denise Waller and when agreed to the Connetable.

Please contact Denise Waller at either 741941 or 744470 or waller@localdial.com
